

Request for Auto Reconnect

I am requesting to have account _____, auto reconnected in my name when a tenant requests disconnection of service. The standard \$15 transfer fee will apply when an account is transferred under the auto reconnect. I understand that I am responsible for all charges incurred when the account is in my name. Furthermore, I understand that this account will remain in an “auto reconnect” status until I contact the cooperative and notify them to remove it. This means if the property is sold, I must contact the cooperative and have my name, and responsibility for future charges, removed from this account. By signing this document I am agreeing to all of the stipulations listed above.
