General Information Regarding the Water Heater Program

1. The co-op offers a \$250 bill credit to members when they convert from a gas water heater to an electric water heater. A maximum of two credits are available to homes with more than one electric water heater.
2. The water heater will be used for its intended purpose. The units will not be used as a storage or holding tank. The source of energy for the water heater will be electric only. If the water heater is used other than its intended purpose, the member will not receive the bill credit.
3. The water heater must be installed for at least 5 years.
4. After installation of the water heater is completed, please fill out this form and mail it to Southwestern Electric Cooperative, Member Services Department, 525 US Route 40, Greenville, IL 62246 or fax to (618) 664-4179, so arrangements can be made to verify installation.
5. Southwestern Electric Cooperative, Inc., reserves the right to inspect installations at any time and cancel promotion at any time.
6. In consideration of the promises herein made, the (member, contractor, owner) agree to indemnify and hold the Cooperative harmless for any and all liability for damages which may result from improper installation or operation of equipment.
